## The Best Resources to Learn English Speaking Online Free

There are many free resources available online to help you improve your English speaking skills. Here are some top platforms that offer comprehensive lessons:

### 1. Duolingo

Duolingo is one of the most popular language-learning platforms, known for its user-friendly interface and interactive lessons. The platform offers a fun way to **learn English speaking online free** through short exercises and quizzes. Duolingo uses a gamified approach, making learning feel like playing a game. You can practice speaking, listening, reading, and writing in English, with personalized progress tracking to help you stay motivated.

### 2. BBC Learning English

BBC Learning English is another excellent platform to **learn spoken English online free**. The website offers a wide range of resources, including audio, video, and text-based content. Their lessons cover everyday English, business communication, pronunciation, grammar, and much more. With various levels, from beginner to advanced, you can tailor your learning experience to your specific needs.

### 3. Coursera

While Coursera is primarily known for its paid courses, it also offers many free courses that can help you learn English. Some courses are offered by top universities and institutions, providing professional-level content. You can access these free English learning courses at your own pace and gain valuable knowledge to improve your spoken English skills.

### 4. Memrise

Memrise is another engaging platform to **learn spoken English online free**. Memrise uses real-world language learning techniques, focusing on how native speakers communicate in everyday situations. Through flashcards, videos, and quizzes, you can improve both your vocabulary and pronunciation. The app also features spaced repetition, ensuring that you remember what you've learned over time.

### 5. EnglishClass101

EnglishClass101 is a fantastic resource for learning English online. It offers free lessons that focus on both grammar and speaking skills. The platform provides lessons in the form of podcasts and videos, which makes learning more engaging. You can choose from different levels and subjects to tailor your learning experience. EnglishClass101 also has a supportive community where learners can discuss and practice their English skills.

## Free English Learning Courses: Comprehensive Programs

In addition to the individual platforms mentioned above, there are full-fledged **free English learning courses** available online that can take you through every aspect of language learning from scratch. These comprehensive programs are often structured like traditional courses, complete with modules, assignments, and interactive lessons. Here are a few that stand out:

### 1. Alison - English Language Courses

Alison offers free English language courses that cover a range of topics, from basic English grammar to advanced spoken English. These courses are designed to help learners at all levels improve their speaking, reading, and writing skills. You can enroll in these free courses and get access to rich content, assessments, and a certification upon completion.

### 2. OpenLearn – English Courses

OpenLearn, provided by The Open University, offers free courses in various aspects of English language learning. The platform has a selection of free English learning courses that you can take at your own pace. Some of the courses focus on grammar, while others emphasize listening and speaking skills, helping learners become well-rounded English speakers.

### 3. FutureLearn - English for Beginners

FutureLearn offers a wide array of free courses for English learners. One such course is "English for Beginners," which is perfect if you're just starting out with the language. This course provides video lessons, written exercises, and plenty of practice to improve your speaking skills. The best part is that the course is free, though you may have to pay if you want a certificate at the end.

## English Speaking Classes Online Free: Live Interaction and Practice

If you're looking for more interactive ways to **learn English speaking online free**, you can opt for live classes that offer direct interaction with instructors and fellow learners. Many platforms provide free live English speaking classes, helping you practice speaking in real-time and get personalized feedback. These classes are often scheduled at convenient times and offer the opportunity to converse with others, improving fluency and confidence. Some great platforms offering [English speaking classes online free](#) include:

### 1. Cambly

Cambly offers one-on-one live English lessons with native speakers. While Cambly typically charges for premium services, it offers some free introductory lessons, allowing you to experience interactive speaking sessions. The platform is ideal for practicing conversational English in a relaxed and supportive environment.

### 2. italki

italki connects learners with professional English teachers for online language lessons. They often offer free trial classes or discounted lessons for new users. In addition, italki hosts a large community of language learners who offer free conversation practice. You can engage in language exchanges to practice spoken English with other learners globally.

### 3. HelloTalk

HelloTalk is a free language exchange app where you can practice speaking English with native speakers. The app connects you with other language learners from around the world. You can chat via text, voice messages, and even voice calls to practice speaking. It's a great way to improve your fluency and pronunciation by interacting with real people.
